The Heart Scarf Project

What you need:

- * Rigid heddle loom 12" weaving width or wider (or if you have a smaller loom eg. 10" you can just weave a narrower scarf)
- * 1 x 7.5 dent heddle
- * 1 pick up stick, longer than the width of the project
- * 1 stick shuttle longer than the width of the project.
- * Reed and threading hook
- * Tapestry needle for hemstitching

Project specifics:

Width on loom - 11"

Sett - 7.5

Length of warp- 110" (3 yards)

Length of finished project - 92" (including fringes)

Ends - 84 (42 slots)

Fringes - Twisted (optional)

Wet finishing - Soak garment in warm, mildly soapy water (don't agitate) for at least 1 hour. Warm rinse, press out excess water between clean, dry towels, gently pull into shape and dry flat in shade.

Weaving level:

This project is designed to be simple enough for most weavers, however if you are an absolute beginner, I recommend that you first complete my [Woe to Go beginner's class](#)-

Yarn

Warp - [Mandala Gnome](#)

222 yards, 246 metres

Weft - Bendigo Woollen Mills Luxury 4ply in grey. This is a fingering weight yarn.

404 yards, 370 metres

Possible alternatives for yarns:

*Please note, these are just suggestions, I cannot guarantee the results as I've not personally used these yarns. The following warp yarns are non acrylic.

Warp- Hobbi Sultan, Cascade Paradigm Shift, [Cascade Whirligig](#), [Sheepjes Whirligig](#).

Weft- Naturally Yarns Loyal 4 ply, [Berroco Ultra wool fine](#), King Cole Merino Blend 4ply, Fiddlesticks Peppin 4, Anny Blatt Baby Blatt.

Hemstitch -

4 warp threads/ 2 weft threads

Pick up sequence:

3 up, *2 down, 1 up, repeat from * until last 3 threads, which are up. Be sure to refer to the videos if you need clarification on this.

Weaving Sequence:

1. Heddle up
2. Heddle neutral, pick up stick on edge
3. Heddle up
4. Heddle down

Begin by weaving 10 picks of plain weave.

Weave the pick up sequence for 70 - 77" (I wove 77". Due to the stretch in the warp yarn, the finished length measured 70" off the loom).

Finish with 10 picks of plain weave.

I hope you enjoyed this project!

I wove this scarf with you in mind,
I thought you'd like to know
That you are loved and wanted and
missed
And never, ever alone

Although I can't be there with you
I'd dearly love to be
So I wove my heart into this piece
Especially for you, from me
