

1/5 Warp Floats.

Pick Up Sequence:

1/1 pick up - 1 up, 1 down

This means that you will place your heddle in the DOWN position, and using your pick up stick, you will place one thread on top of the pick up stick, followed by one underneath, and so on.

Refer to the video links in the blog article if you're having trouble with how to do pick up.

Weaving Sequence:

1. Heddle down
2. Heddle up, pick up stick forward, flat
3. Heddle down
4. Heddle up, pick up stick forward, flat
5. Heddle down
6. Heddle up

Repeat steps 1-6 for the required duration.
